My Reports show the reports that were created by yourself !!!

How to create an individual report

Select **New Report** in the menu and click on + in the table header to add the main category of your report. Then click on + in the table body and add at least two further categories including the **time period**. To save your report click on **save** or on **Excel** for an export of the data.

How to download PDFs of each chapter of the book

Select **Chapters** in the menu **Books** and you will see all available World Robotics editions you purchased. Please click directly on the book **Industrial Robots** or **Service Robots** you want to download.

Please select a **chapter** for download.
